Dear Residents, Families, and Staff,

As the cooler weather settles in, we know the winter season often brings an uptick in colds and other contagious infections. I am pleased to let you know that all flu vaccinations have now been administered to our residents—thank you to our nursing and lifestyle teams for organizing consent forms and ensuring everything ran smoothly on the day. Our next focus is the COVID-19 booster, which is due on Thursday, 3 July. Ensuring each resident remains up to date with these vaccinations is a vital step in keeping our community safe and healthy.

I would also like to extend my heartfelt gratitude to every member of our team. Your dedication and kindness makes a real difference in brightening our residents' days; from greeting each morning with a smile to creating meaningful activities, your efforts truly bring joy to their faces and comfort to their families.

It was wonderful to see the level of enthusiasm and engagement at our Mother's Day Afternoon Tea in the Waratah Courtyard on Friday, 9 May. The event was an outstanding success—residents, families, and staff all came together to share cakes, coffee, and conversation in beautiful surroundings. The high praise we received speaks volumes about the warmth and care that went into making the afternoon so special.

Looking ahead, we have a packed calendar of events for June and July. First on the list is our King's Birthday Right Royal Afternoon Tea, which will be held in the Acacia Dining Room on Monday, 9 June. We encourage everyone to don their finest hats and enjoy a selection of dainty sandwiches, scones, and teas as we celebrate this special occasion together. You will be able to find additional event details inside the newsletter.

Thank you all for your ongoing support and commitment. Whether you're a resident, family member, or staff member, your participation and enthusiasm are what make our community thrive. I look forward to seeing you at our upcoming gatherings and working alongside you to maintain a safe, warm, and engaging environment for everyone at Weeroona Aged Care.

Warm regards,

Nikhil

Dermot Rodwell, Pamela Boler, Graham Coleman & Robert Hatch

Both the Director of Nursing and Deputy Director of Nursing act as the resident liaison to assist residents and their families in the admission process. We hope you will be happy and comfortable at Weeroona and we look forward to getting to know you better.

Months in Review

As we turn the page on April and May here at Weeroona, I'm delighted to share highlights from our bustling Lifestyle calendar. These past two months have been brimming with creativity, connection, and celebration – and I'm so proud of how everyone came together to make each event truly special.

April & May Highlights

- Easter Activities: Residents crafted Easter cards, painted geometric canvases during a Paint & Sip, and assembled paper-plate baskets for the Easter Bunny—all fostering creativity and community.
- ANZAC Day: On 23 April, Carinya children joined residents to make wreaths, and then Dermot, John, and Robert laid wreaths at our ANZAC service hosted by the Cowra RSL Sub-Branch here at Weeroona—honoring ANZAC traditions.
- **Bread Baking in Waratah:** Introducing weekly bread baking in our Memory Support Unit has sparked conversation, sensory engagement, and pride as residents helped create fresh loaves.
- Mother's Day: A special Afternoon Tea on 9 May (with live music and a delightful spread) was followed by our Mother's Day cake and gift delivery on 11 May, then an intergenerational morning tea on 13 May—bringing flowers, cookies, and smiles.
- Hong Kong Restaurant Outing: On 13 May, residents enjoyed a bus trip to the Hong Kong Chinese Restaurant in Cowra—sharing dishes and social connection outside Weeroona for the first time in many months.
- **Social Groups & Crafts:** Our Thursday Men's and Women's groups continued weekly for tea, games, and stories, while Sunday crafts in Grevillea Lounge (beading, origami) promoted creativity and camaraderie.

As we reflect on these bright and busy weeks, I'm so grateful for the dedication of our staff across all departments, the commitment of our Lifestyle team, and the enthusiasm of every resident who joined in. Whether it was mixing ingredients for delicious fresh bread, putting brush to canvas, or simply sharing a smile over tea, each moment strengthens our community.

Looking ahead to June and July, we have more exciting events to enjoy—so stay tuned for themed Happy Hours, wellness programs, and bus outings. Your participation and feedback make all the difference, and I can't wait to see what we'll create together next.

Warm regards,

Lifestyle Coordinator

Social Groups

Thursday Socials Bring Residents Together in Community and Conversation

Every Thursday, the heart of our community beats a little louder as residents gather for our much-loved social group afternoons. Alternating weekly between men's and women's

groups—and occasionally joining forces for combined sessions – these collaborative gatherings have quickly become a highlight that everyone eagerly anticipates.

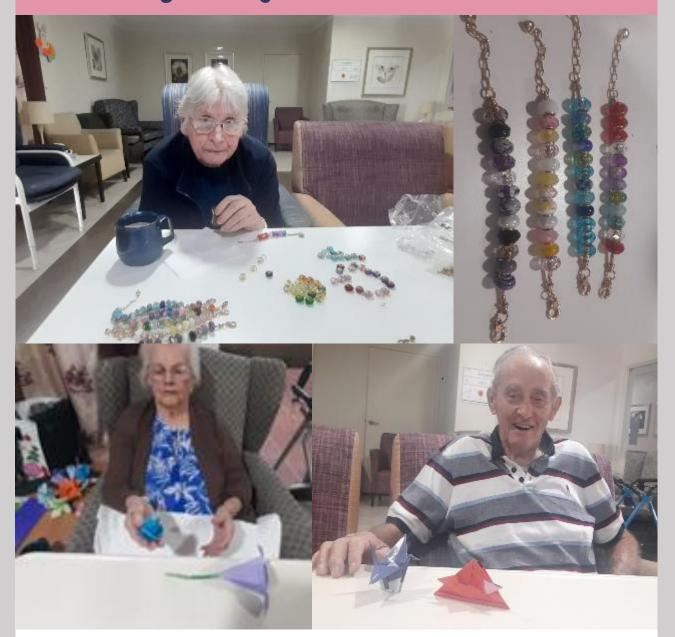

These afternoons are more than just a chance to enjoy a cup of tea or a game of cards. They're about connection, laughter, and the comfort of familiar faces. It's in these moments that friendships deepen and stories are shared, making Thursdays something truly special.

At one of our recent combined social gatherings, we had the pleasure of welcoming guest speaker David Gouge, who captivated the group with stories from his life and career. His tales sparked smiles, laughter, and even a few moments of nostalgia, as residents reminisced about days gone by. The room was filled with warmth—not just from David's storytelling, but from the shared memories and camaraderie that followed.

These weekly socials are a reminder of the simple joy of being together. Whether it's a lively discussion, a friendly game, or a shared memory sparked by a story, Thursday afternoons continue to bring us closer as a community.

We look forward to many more gatherings to come!

Sunday crafts with Anna

Creativity in the Grevillea Lounge: Sunday Crafts with Anna

The Grevillea Lounge was filled with laughter, creativity, and a touch of sparkle as residents gathered for a delightful morning of crafts with the talented Anna. Known for her warm presence and love of fun, Anna brought two beautiful crafts to share: jewellery making with glass beads strung onto golden chains, and the intricate, calming art of origami.

Residents eagerly rolled up their sleeves and got hands-on with both activities. The jewellery table shimmered with vibrant beads and shining chains, with each piece crafted reflecting personal style and creativity. Across the room, others folded colourful paper into delicate origami shapes, enjoying the quiet focus and satisfaction that comes with mastering each fold.

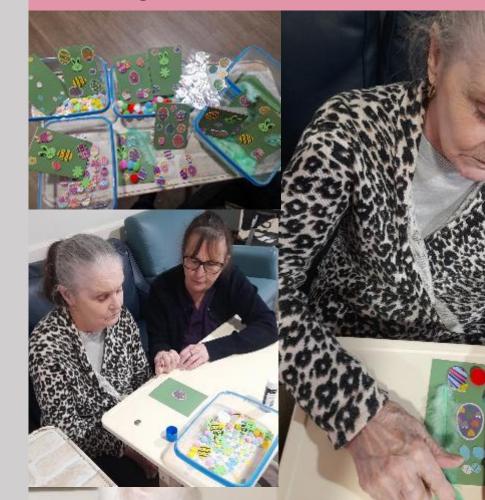

The atmosphere was one of joy and togetherness, as residents helped each other with techniques, shared laughs over tangled chains or tricky folds, and admired each other's finished creations.

D.I.Y Easter Card Making

On Monday, 7th April, the Waratah residents gathered for a joyful afternoon of Easter card making, turning the lounge into a hub of colour, creativity, and celebration. Each resident created their unique card, adorned with cheerful embellishments, festive stickers, and plenty of playful pom poms.

It was a heartwarming sight to see everyone so engaged sharing ideas, admiring each other's work, and embracing the Easter spirit with enthusiasm. The atmosphere was filled with laughter, concentration, and pride in the beautiful cards that came to life during the session.

A massive thank you to all the wonderful staff in Waratah, whose patience, gentle guidance, and thoughtful support made the afternoon such a success. With their calm encouragement and caring presence, every resident felt included, confident, and proud of their creations.

Thank you for helping bring creativity, joy, and Easter cheer to Waratah!

Diy Easter baskets

As Easter approached, Weeroona residents got into the holiday spirit with a fun and crafty activity that brought joy and creativity to the community. On Friday, 11th April, everyone gathered together to create their very own Easter baskets, using simple yet effective materials – paper plates! With their artistic flair, the residents set to work, carefully folding, decorating, and assembling their baskets with colourful designs. Some added intricate patterns, while others went bold with bright, cheerful colours to make sure their baskets would stand out. Each resident's creation was unique, filled with personal touches, and a true reflection of their individual creativity.

As they worked, the excitement built—knowing that their baskets would soon be filled with chocolate eggs and sweet treats from the Easter Bunny himself. The activity provided a wonderful opportunity for residents to reminisce about past Easter celebrations and share their favourite traditions with one another.

The afternoon was filled with laughter and lighthearted chatter as everyone came together to prepare for the arrival of the Easter Bunny. With their beautiful paper plate baskets ready, all that was left to do was wait for the big day and see what surprises awaited!

Easter Fun with our Grand Friends & the Easter Bunny

Easter came early to Weeroona Aged Care, and our residents couldn't have been more delighted! Thanks to the generous team at Bunnings Cowra, the Easter Bunny hopped in to surprise everyone with treats, laughter, and plenty of festive cheer. The smiles and warm hearts that filled our lounges are a testament to the kindness and community spirit that made this day so special.

To add to the excitement, we invited our "grandfriends" from Carinya for a spirited Easter egg hunt in the courtyard. Watching generations come together—residents searching for hidden eggs, grandchildren cheering them on, and everyone sharing in the thrill of the hunt—truly captured the essence of connection and joy. It was a wonderful reminder of how simple activities can create lasting bonds and treasured memories.

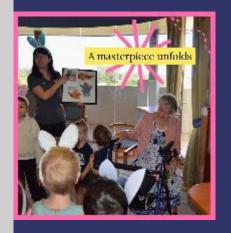

Easter Happy Hour

Easter Happy Hour

Our residents gathered in the Acacia Dining Room for a festive Easter Happy Hour complete with trivia, a quiz, a lively sing-along, and an array of delicious treats and drinks. The room was filled with laughter, conversation, and the cheerful spirit of the season, as everyone enjoyed an afternoon of friendly competition and community connection. As the Easter Bunny made its rounds to homes across Cowra, we're so grateful that our Weeroona community came together to celebrate, create new memories, and embrace the joy of the seasons changing. Here's to many more Happy Hours filled with laughter, connection, and of course, yummy treats!

ANZAC Activities

At Weeroona Aged Care, we were thrilled to host a special intergenerational event for ANZAC Day, where our residents and their "Grandfriends" from Cowra Early Childhood Services - Carinya joined together for a meaningful and creative morning.

The event was focused on wreath-making, where participants worked side by side, crafting beautiful ANZAC wreaths while sharing stories of the past and learning about the significance of ANZAC Day. The sound of laughter filled the room as both generations bonded over the simple yet profound act of remembrance, creating wreaths adorned with fresh greenery, poppies, and heartfelt messages.

Not only did this activity help honor the ANZAC tradition, but it also emphasized the benefits of intergenerational care. Our residents enjoyed the joy of spending time with the younger generation, while the children learned about our history, creating connections that will last a lifetime.

In addition to the wreath-making event, our residents also took part in a heartfelt ANZAC Service on the 24th of April, courtesy of the Cowra RSL Sub-Branch. Residents Dermot Rodwell, John McGuiness, and Robert Melton proudly laid wreaths to honor and remember the sacrifices made by our ANZACs. This meaningful service brought a deep sense of pride and reflection to all involved.

Throughout the morning, there were plenty of ANZAC cookies and tea to enjoy, further enhancing the sense of community and sharing. This event perfectly exemplified how bringing different generations together can foster understanding, respect, and joy for all involved.

A big thank you to our "Grandfriends" from Carinya for making this such a memorable event. We look forward to more wonderful moments of connection and creativity in the future

Mother's Day Crafts

Mother's Day Festivities

Weeroona Aged Care Residence honored the wonderful women in our lives with three days of heartwarming activities and delicious treats. We hope every mother, grandmother, and special lady felt cherished as we came together to celebrate.

Friday, 9 May – Mother's Day Afternoon Tea

The Waratah Courtyard blossomed with flowers and laughter on Friday afternoon as residents gathered for a traditional Mother's Day Tea. Our Kitchen Supervisor, Meg, and her dedicated team prepared an array of delicate sweets and savory delights. Live musicians provided a gentle soundtrack of familiar melodies, encouraging residents to tap their toes and exchange stories. A sincere thank you to all staff who helped set up tables, served refreshments, and ensured the event flowed smoothly. Your efforts made this afternoon truly unforgettable.

Sunday, 11 May – Gifts & Cake Presentation

On Sunday, each of our ladies received a thoughtfully chosen Mother's Day gift and the chance to share two beautifully decorated slab cakes. Meg once again showcased her culinary talents by baking the cakes, while Lifestyle Coordinator Nikkara assembled and adorned them with delicate flowers and butterflies. Anna and Sue C. personally distributed gifts, making sure each resident felt the warmth and appreciation we hold for them. Watching smiles bloom as gifts were unwrapped reminded us why these simple gestures mean so much.

Tuesday, 13 May – Intergenerational Morning Tea
Our final celebration took place on Tuesday morning
in the Acacia Dining Room, where residents welcomed
"grandfriends" from Cowra Early Childhood Services.
The children arrived bearing trays of homemade
cookies, eagerly sharing stories and laughter. They
presented every resident with paper-crafted flowers—
tangible symbols of their affection. Seeing
generations come together—exchanging memories,
giggles, and hugs—brought joy to all involved and
highlighted the power of community connection.

May Bus Trip — Hong Kong Chinese Restaurant Cowra

Our residents traded their usual dining setting for a special outing at the Hong Kong Chinese Restaurant in Cowra. A small group of enthusiastic diners gathered in the Acacia foyer at 11:30 AM, boarding the bus with bright smiles and a healthy appetite for adventure. The short drive into town was filled with chatter and anticipation, as everyone looked forward to sharing a meal together outside the facility.

Upon arrival, the warm, inviting atmosphere of the restaurant greeted our group. Lanterns and traditional décor set the scene, while the gentle hum of conversation created a lively backdrop. Residents were promptly seated at a large table, allowing everyone to share dishes family-style. The menu boasted a wonderful variety, and many participants were delighted to see familiar favourites alongside a few new dishes waiting to be explored.

Beyond the delicious food, the outing provided a valuable opportunity for social connection. Laughter flowed as residents compared favorite dishes, swapped restaurant stories, and reminisced about family gatherings. For some, this lunch represented one of the first times they'd dined out since moving to Weeroona, making the experience all the more meaningful. Our RAO, Nikki, noted that seeing everyone engage so enthusiastically was a wonderful reminder of how simple experiences—like sharing a meal can boost both mood and appetite.

Resident Profile

The Life Story of Barbara Lesley Sheppard (Alley)

Barbara Lesley Alley was born in the humble town of Dapto, nestled in the Illawarra region of New South Wales. She was the middle child in a family of three girls, with two sisters, Patricia and Ellen. The girls got along well, sharing not just their childhood toys, but also their secrets, laughter, and the bicycle that the trio shared between them.

Raised in a Catholic household, Barbara's upbringing was deeply rooted in the values of faith, discipline, and hard work. Her father worked at the steelworks — a strong, quiet man whose dedication to his job left a lasting impression on Barbara. He wasn't overly strict, but the rules were clear: do what you're told, and everything would be fine. Her mother, a warm and capable woman, was known for her wonderful cooking. Though sometimes strict, her love was shown through home-cooked meals, especially the beloved fruit cakes she made for birthdays — which Barbara cherished even more than Christmas or Easter.

While Barbara's grandparents lived far away — her maternal ones in a different area and paternal ones up in Queensland — extended family gatherings still played a role in her life. She had uncles and aunties but never singled out a favourite; they were all simply family.

Barbara began her education at Dapto Catholic School, where Sister Bernadette was her first teacher — a kind woman who left a positive mark on her early learning. School had its ups and downs. Times tables were a challenge, but reading was a joy. She had close friendships with Catherine Georger and Robyn Gorman, and together they played rounders during breaks. The students wore tunics as uniforms, and discipline was often enforced with a ruler — a common practice in those days.

Childhood was simple but happy. Barbara enjoyed playing tennis and spent school holidays either at home or visiting her grandmother. She didn't feel poor, but life was modest. There weren't extravagant holidays or many possessions, but there was love, laughter, and a strong sense of togetherness — especially when she and her sisters played and shared time together.

As she moved into adulthood, Barbara's first job was at a clothing factory, where she was responsible for adding collars to garments. It was honest work, and it taught her a lot. She didn't own a car until she got married, and like many young women of her time, weekend dances were a highlight. It was at one of those moments — while waiting for a bus to a dance — that fate intervened. She met John Sheppard.

Barbara and John were married in Dapto when she was just 21. Together, they built a life grounded in mutual respect, love, and the shared experience of raising a family. They had three children: Anita, Dean, and Peter. Barbara took inspiration from her own upbringing, bringing up her children with a similar blend of care, guidance, and strong values. Later in life, she became a scout leader — not during her own childhood, but when her sons joined the scouts, reflecting her ongoing commitment to being involved and supportive.

Family remained the centre of Barbara's world. She is the proud grandmother of seven and great-grandmother of four, with each generation adding new joy to her life.

From modest beginnings in Dapto to a full life filled with love, family, and fond memories, Barbara's story is one of resilience, warmth, and quiet strength — a testament to the beauty of a life well-lived.

A silent friend in highs and lows.
