### A Day to remember: weeroona aged care's trip to grenfell

On **Tuesday, February 18th**, 15 of our wonderful residents embarked on an unforgettable day trip to **Grenfell, NSW**, where they had the opportunity to experience the breathtaking **painted silos**. The stunning vibrant colours and intricate artwork left everyone in awe, bringing smiles to our residents' faces and sparking joyful conversations.

This outing was a perfect example of how we create meaningful and memorable experiences for our residents, providing opportunities for exploration, connection, and joy. We look forward to many more exciting adventures in the future!

The 2025 NSW Seniors Festival proved to be an extraordinary opportunity for residents of Weeroona Aged Care to engage in enriching social, cultural, and recreational activities. The festival underscored the vital importance of community engagement, historical appreciation, and well-being, providing residents with a diverse range of experiences that fostered connection and promoted lifelong learning. Below is a reflection on the activities and milestones that made this festival week truly memorable.

### Lachlan Valley Railway Heritage Train Experience

Kicking off the festival, residents had the privilege of embarking on a historical rail journey aboard the 98-year-old rail motor. The scenic route, which took participants from the station to the Lachlan River, offered not only breathtaking views but also a deep dive into the historical significance of the railway system in regional development. This experience evoked

thought-provoking conversations about the role of trains in shaping communities and the evolution of

transportation in rural Australia.

### "Our Rock Journey" Concert & Morning Tea

Later in the festival, residents gathered at Club Cowra for an uplifting musical performance

by John Wood and Dave Allen. Their nostalgic renditions of classic hits transported residents back to a time of familiar tunes, evoking memories and creating opportunities for reminiscence therapy. Complemented by a traditional morning tea, the event not only served as a sensory engagement experience but also fostered social interaction and deeper connections within the community.

A particularly special aspect of the festival was the community luncheons at the Royal Hotel Woodstock and the Gooloogong Hotel, organised in collaboration with Meals on Wheels. These gatherings provided residents with an opportunity to enjoy delicious, nutritious meals while simultaneously reinforcing the importance of social inclusion and community support. The

shared experience allowed for meaningful conversations and further strengthened the bonds between residents and the greater local community.

Croquet: A Social and
Physical Wellness Activity
As part of the festival's
emphasis on active
engagement, a croquet
session offered residents a
light-hearted
opportunity to engage in
physical activity, all while
promoting strategic
thinking and social
interaction. The session
was a wonderful way for
residents to connect with
each other through

it highlighted the importance of **recreational activities** in promoting cognitive health and overall well-being. The day concluded with a relaxing tea break, where residents reflected on the fun and camaraderie experienced on the court.

### Cowra Annual Seniors Lunch

friendly competition, and

The festival culminated in the Cowra Annual Seniors Lunch at the Cowra Bowling Club, where Meals on Wheels once again facilitated a gathering that brought together community members from all walks of life. The luncheon offered a warm, welcoming atmosphere, reinforcing the sense of

community spirit

that is at the heart of the Seniors Festival. It provided a space for residents to come together and share experiences, fostering a positive and fulfilling conclusion to the week.

As we reflect on the 2025 NSW Seniors Festival, we are reminded of the crucial role that active participation, cultural enrichment, and connection play in enhancing the quality of life for older adults. These experiences not only celebrated the talents, history, and cultural diversity of our community but also affirmed the importance of social engagement in supporting physical and mental well-being.

We extend our deepest gratitude to the **organizers, volunteers,** and **participants** who made this event a resounding success. Their contributions and support ensure that our residents continue to experience the joys of active living and community involvement.

We look forward to continuing to offer engaging programs and social activities that foster connection, creativity, and well-being.

### EXPLORING CULTURE AT WEEROONA

Residents of Weeroona Aged Care embraced the spirit of St. Patrick's Day with a day filled with cultural exploration, creative expression, and social connection. The celebration, held as part of the facility's commitment to inclusive and engaging activities, highlighted the rich traditions of Irish heritage while fostering a strong sense of community among residents.

The festivities began with hands-on craft sessions, incorporating symbols of Irish folklore and history. This interactive activity encouraged creativity while serving as a meaningful way to honour the traditions

associated with the holiday.

A social happy hour followed, where residents gathered to enjoy refreshments and lively conversation, strengthening their connections with one another. The relaxed atmosphere set the stage for the highlight of the celebration—an interactive trivia challenge centered around Irish culture, history, and traditions. Residents enthusiastically participated, sharing stories, learning new facts, and reminiscing about their own experiences with St. Patrick's Day over the years.

### EXPLORING CULTURE AT WEEROONA

Beyond the entertainment, the day served as a reminder of the importance of cultural observances in aged care settings. Engaging in activities that celebrate heritage, tradition, and community plays a vital role in promoting social inclusion, cognitive engagement, and emotional well-being for older adults.

The success of this year's St. Patrick's Day celebration reflects Weeroona Aged Care's dedication to fostering a vibrant, culturally enriched environment where residents can participate in lifelong learning and meaningful social interactions.

# Weeroona Aged Care Residents Embrace Indian Culture at the Cowra Festival of International Understanding

Residents of Weeroona Aged
Care had the unique
opportunity to immerse
themselves in Indian culture
and traditions as part of the
Cowra Festival of International
Understanding. This year, India
was the featured nation of the
festival, and Weeroona was
honoured to host Youth
Ambassadors representing
India, who provided valuable
insights into the country's
heritage, customs, and global
influence.

allowing residents to expand their understanding of **India's rich history and traditions**. Through discussions and interactive experiences, participants gained a deeper appreciation for India's role in shaping the world's cultural and historical landscape.

A standout moment of the celebration was the Indian Armchair Yoga session, designed to introduce residents to the principles of mindfulness, flexibility, and holistic well-being. This guided practice offered a low-impact yet highly beneficial form of exercise, supporting both physical mobility and mental relaxation. Residents embraced the experience, enjoying the soothing movements and the deeper sense of connection it fostered.

Thank you to the **organisers, volunteers, and Youth Ambassadors** who made this event an **outstanding success**. We look forward to continuing our **exploration of global cultures** and bringing more enriching programs to our residents in the future!

### RESIDENT Profile

Nancy's Life Story

Nancy was born in Bathurst and grew up in a close-knit Catholic family with one sister and three brothers: Austin, Olive, Garry, and Morten. The siblings got along well, enjoying their childhood together. Her father was a farmer who had a special talent for working with horses, while her mother was a lovely lady who, although not strict, was a nurturing presence in their home.

Nancy's maternal grandparents lived nearby and were farmers. They had a significant influence on her, as she remembers them fondly. Her paternal grandparents also lived close, and she enjoyed a close relationship with them as well. Her paternal grandmother worked in sheep shearing, and Nancy recalls getting along well with her extended family, though she didn't have a specific favourite relative. She attended St. Mary's Primary

School, where her first teacher, Sister Adriane, made a positive impression on her. Nancy enjoyed physical education, culture, and sports, particularly basketball and softball. She didn't have a special friend but played sports with her siblings and classmates. Nancy wore a uniform to school and remembers that the teachers were kind, with no punishments handed out.

Nancy spent most of her school holidays either at home or visiting her godmother in Forbes. She didn't consider her family poor, but rather middle class, and they lived a comfortable life. She enjoyed playing sports, especially basketball, and had a bicycle, which she used for fun. Christmas was her favourite celebration, a time of family togetherness.

After school, Nancy worked as a dental nurse, and she didn't leave home until she got married. During her younger years, horses were a common form of entertainment for young people. Though Nancy doesn't recall the first movie she saw, her favourite film was *The Wizard of Oz*. She bought her first car at the age of 21 or 22, marking an important milestone in her adulthood.

Nancy met her husband through their shared love of horses, and they married in her twenties. Together, they had five children: Doug, Andrew, James, Damien, and Anthea. Nancy raised her children in much the same way her parents raised her, with love, discipline, and a deep appreciation for family values.
